## About Amarr Powder Coating

We offer a variety of powder coating color options, provided by TCI, for aluminum doors that require custom or specific RAL colors. Our offering includes 190 RAL color options which meet AAMA 2603 specifications and 55 options which meet AAMA 2604 specifications.

Powder coating finish provides enhanced durability and long-lasting performance. Other benefits include superior mar resistance, excellent edge coverage, and no use of volatile organic compounds (VOCs).

Available for: **Amarr Vista VI1000 | Amarr Horizon HO1000  
Amarr 3552 | Amarr 3582**

Door Sizes: **Available in widths up to 24' 2" in 1" increments**

The RAL colors in this brochure have been matched as closely as possible. Color production methods and influence from heat and light may account for slight color variation from the actual RAL standard. This brochure therefore cannot serve as a standard for RAL color production and is to be used as a guide for color planning and specification only.

**Actual color may vary from sample shown, ask for color sample before ordering.**
